

## **Digital Resources for VA Health Professionals Treating Veterans with Parkinson's Disease**

As U.S. Department of Veterans Affairs health professionals, you are key to providing better care for veterans living with Parkinson's disease (PD). The Parkinson's Foundation offers a wide range of online training and education resources. We encourage you to share the following resources with your colleagues, clinics, patients/clients and care partners.

### **Parkinson's Foundation Resources**

Click on the health professional type below to find a list of educational materials, including digital publications and fact sheets, podcast episodes, webinars and more.

- [Speech Pathology](#)
- [Physical Therapy](#)
- [Occupational Therapy](#)
- [Nurses](#)
- [Social Work](#)

**Helpline:** Our Parkinson's information specialists can answer Parkinson's questions from health professionals, people with PD and family members. Call 1-800-4PD-INFO (473-4636) or email [Helpline@Parkinson.org](mailto:Helpline@Parkinson.org)

**Publications:** Our well-respected educational book series focuses on critical PD issues. Order a free copy of any publication, ranging from introductory information to in-depth material on important topics or read them online. Visit [Parkinson.org/Store](http://Parkinson.org/Store). Plus now all of the Foundation's book are [available on Kindle](#).

### **Virtual Learning Opportunities**

**Webinars:** Sign up for the [Expert Briefing series](#) that offer CEU credits. Participate live or watch an archived webinar to learn more about PD symptoms, progression, treatments and management. Some topics include *Exploring Motor Symptoms*, *Seeing Clearly with PD: Vision Changes*, *Mental Health and PD*, *Medication and PD*, and more!

**Online Courses** for Occupational Therapists, Physical Therapists, Speech-Language Pathologists, Nurses, Nurse Practitioners, Physicians, Physician Assistants, and Social Workers can earn CEU/CME credits through various Parkinson's Foundation online expert training and team training courses ([link here for online courses](#)).

**Podcasts:** Hear directly from Parkinson's experts in our podcast series, *Substantial Matters: Life and Science of Parkinson's*. Learn about treatments and techniques, as well as the latest in research. Visit [Parkinson.org/Podcast](http://Parkinson.org/Podcast). For episodes in Spanish, visit [Parkinson.org/Español](http://Parkinson.org/Español).

**For the latest in Parkinson's news and resources visit [Parkinson.org](http://Parkinson.org).**
