

Presentations and Lectures 2010 and 2011

Kraakevik, J. "Overview of use of Twitter by an academic clinician." OHSU Social Media Interest Group. Portland, OR. Jan 2011

Kraakevik, J. "Shifting goals of care as disease progresses." The Quarry Senior Living. Vancouver, WA. Nov 2010

Kraakevik, J. "Question and answer time." Salem Parkinson's Disease Support Group. Salem, OR. Nov 2010

Kraakevik, J. "Ask the Doc." Panel discussion for OHSU Parkinson Center of Oregon Parkinson's disease symposium. Portland, OR. Sept 2010

Kraakevik, J. "Managing falls in elderly patients." OHSU School of nursing review for nurse practitioners. Portland, OR. June 2010

Kraakevik, J. "Managing Complex Problems in PD." CME breakfast sponsored by OHSU Parkinson's Center of Oregon. Eugene, OR. May 2010

Kraakevik, J. "Update on research in neurology." OHSU Internal medicine review. Portland, OR. April 2010

Kraakevik, J. "Overview of use of web 2.0 in neurology." Pacific Northwest Basal Ganglia Club Annual. Seattle, WA. March 2010

Kraakevik, J. Series of noon conferences on resident teaching skills. Three sessions total, one hour for each session. OHSU residency program in neurology. Portland, OR March 2010

Kraakevik, J. "Update on diagnosis and treatment of Parkinson's disease." OHSU Annual Primary Care Providers Review. Portland, OR. Feb 2010

Leverenz, JB. "The Pleomorphic Prion Diseases: Case Reports and Overview". Washington State Neurological Society, Bellevue WA, 10/2/10.

Leverenz, JB. "What Can Other Neurodegenerative Diseases with Synuclein Depositions Tell Us About Disease Mechanisms in Primary Synucleinopathies?". Synuclein in Health and Disease, San Diego CA, 11/11/10-11/12/10.

Leverenz, JB. "Cognition and Parkinson's Disease" Workshop (Sponsor: Michael J. Fox Foundation), Panelist, New York NY, 1/27/11.

Leverenz, JB. "Practical Approach to the Diagnosis and Management of the Dementing Disorders", Spokane Medical Society, Spokane WA, 2/9/11.

Leverenz, JB. “The Lewy Body Dementias”. Seminarios de Neurociencias, Centro de Investigacion Medica Aplicada, Universidad de Navarra, 2/18/11.

Leverenz, JB. “Non-Alzheimer’s Disease Dementias”, Co-Chair, American Academy of Neurology, Honolulu HI, 4/12/11.

Nutt, JG. Invited Speaker, Neurology Grand Rounds, Vanderbilt, Nashville TN, January 18, 2010.

Nutt, JG. Invited Speaker, Freezing of Gait Workshop, Washington DC, February 24-25, 2010.

Nutt, JG. Invited Speaker, Gait 2010 video session, Washington DC, February 26, 2010.

Nutt, JG. Invited Speaker, Annual Academy of Neurology, Buenos Aires, Argentina, April 27 – May 1 2010.

Nutt, JG. Invited Speaker, World Parkinson Congress, Glasgow Scotland, September 29 – October 1 2010. Treatment of Advanced Parkinson’s disease.

Nutt, JG. Invited Speaker, AAN Annual Meeting, April 2011.

Nutt, JG. AAN Annual Conference, Course Director April 2011.

Nutt, JG. Movement Disorder Society, a plenary speaker April 2011.

Nutt, JG. Invited Speaker, World Parkinson Congress, Glasgow Scotland, September 29 – October 1 2010. Treatment of Advanced Parkinson’s disease.

Quinn, JF. “Translating therapeutic strategies into clinical trials: lost in translation?”, ICAD, Honolulu, Hawaii, July 2010

Quinn, JF. “Translating therapeutic strategies into clinical trials: lost in translation?”, University of Alabama at Birmingham Neurology Seminar, Birmingham, Alabama, May 2010

Quinn, JF. “Nutritional strategies for AD prevention, complementary and alternative medicine”, NIH consensus conference on prevention of Alzheimer's disease, Bethesda, MD, April 2010

Quinn, JF. “An update on Alzheimer’s Research”, Salem Senior Center, Salem, OR, June 2010

Quinn, JF. “An update on Alzheimer’s Research”, Woodland Heights, Portland, OR, June 2010

Quinn, JF. “An update on Alzheimer’s research”, Alzheimer’s Association Symposium, Eugene, OR, June 2010

Quinn, JF. “An update on Alzheimer’s research”, dinner with community physicians, Portland, OR, May 2010

Quinn, JF. “Synapse: The mitochondrial hypothesis of AD”, OHSU Neurology department, Portland, OR January 2010.

Quinn, JF. “AD Research: high hopes and high hurdles”, Neurology Chairman’s Roundtable, Portland, OR February 2010.

Quinn, JF. “The Neurologic Exam”, OHSU family practice, Portland, OR February 2010

- Samii, A.** “A comprehensive overview of Parkinson’s disease”. Geriatric Health Promotion for Health Care Providers Telehealth Lectures Series, cablecast via the University of Washington School of Nursing to sites in Alaska, Montana, Idaho, and Washington (1/12/10)
- Samii, A.** “Three case presentations and an overview of Parkinson Plus syndromes”. Video case lecture series, Department of Neurology, University of Washington Medical Center, Seattle, WA (2/3/10).
- Samii, A.** “Unilateral vs. bilateral subthalamic nucleus deep brain stimulation for Parkinson’s disease: the University of Washington experience”. The 3rd Annual Pacific Northwest Basal Ganglia Club Meeting, Sheraton Hotel, Seattle, WA, (3/13/10).
- Samii, A.** “Comprehensive Overview of Movement Disorders”, Department of Internal Medicine didactic lecture series, University of Washington Medical Center, Seattle, WA (3/25/10).
- Samii, A.** “Differential diagnosis of parkinsonism”, Neurology resident didactic lecture series, Seattle VA Medical Center, Seattle, WA (4/21/10).
- Samii, A.** “A comprehensive overview of Parkinson disease”. Geriatric Research Education and Clinical Center (GRECC) didactic lecture series, Seattle VA Medical Center, Seattle, WA (4/28/10).
- Samii, A.** “Available treatment options for parkinson disease”. West Seattle patient and caregiver support group meeting educational lecture, Providence Mt. St. Vincent Assisted Nursing Facility, Seattle, WA (5/4/10).
- Samii, A.** “Update on Parkinson disease”. In service educational lecture to Neurology and Rehabilitation nursing staff, 8SE, University of Washington Medical Center, Seattle, WA (5/12/10).
- Samii, A.** “Comprehensive overview of Parkinson’s disease”. Western State Hospital CME Lecture Series , Lakewood, WA (5/13/10)
- Samii, A.** “Parkinson look-alike and Parkinson plus syndromes”. Western State Hospital CME Lecture Series , Lakewood, WA (6/10/10).
- Samii, A.** “An update on Parkinson’s disease with focus on treatment options”. Geriatric Grand Rounds, Harborview Medical Center, Seattle, WA (7/30/10).
- Samii, A.** “Head trauma as a risk factor for Parkinson’s disease: challenges of conducting a systematic review and meta-analysis of observational studies”. Movement Disorder Journal Club, Oregon Health and Sciences University, Portland, OR (8/26/10).
- Samii, A.** “Bilateral subthalamic nucleus vs. bilateral globus pallidus internus deep brain stimulation for Parkinson’s disease: results of the multicenter VA Cooperative Studies Program (CSP) study 468.” Department of Neurology Grand Rounds, University of Washington Medical Center, Seattle, WA (9/02/10).
- Samii, A.** “Comprehensive review of dystonia: classification, etiology, genetics, and treatment”. Western State Hospital CME Lecture Series, Lakewood, WA (9/09/10).
- Samii, A.** “Atypical, drug-induced and psychogenic movement disorders”. Neurology resident didactic lecture series, Seattle VA Medical Center, Seattle, WA (9/10/10).

Samii, A. “Comprehensive overview of Parkinson disease with focus on treatment options”. 38th Annual Update in Family Practice and Primary Care. Hogness Auditorium, University of Washington Medical Center, Seattle, WA (9/13/10).

Samii, A. “Medical and surgical treatment of Parkinson’s disease”. American Parkinson Disease Association Patient and Caregiver Educational Lecture Series, Skyline at First Hill Retirement Community Center, Seattle, WA (9/14/10).

Zabetian, CP. “The Continuum of Genetic Risk: Where the Old and New Meet.” Plenary session, Peruvian Neurological Congress, Arequipa, Peru (11/6/09).

Zabetian, CP. “Gaucher Disease and Parkinson's Disease: an Unexpected Link.” Round Table on Movement Disorders, Peruvian Neurological Congress, Arequipa, Peru (11/7/09).

Zabetian, CP. “Variation in the SNCA Gene Modifies Risk for Parkinson's Disease and is Associated with Plasma α -synuclein Levels.” Pacific Northwest Basal Ganglia Coterie, Seattle, WA (3/12/10).

Zabetian, CP. “GBA in Lewy Body Disorders.” NIH/NINDS Biomarkers for Lewy Body Disease Conference, Washington, DC (4/26/10).

Zabetian, CP. “Genetic Risk Factors for Cognitive Impairment in Parkinson’s Disease.” Pacific Northwest Udall Center Retreat, Quinalt, WA (5/8/10).

Zabetian, CP. “Genomewide Association Studies in Parkinson’s Disease.” First annual meeting of the Latin American Research Consortium on the Genetics of Parkinson’s Disease (LARGE-PD), Buenos Aires, Argentina (6/18/10).

Zabetian, CP. “Genetics of Parkinson's Disease: a Continuum of Risk.” Grand Rounds, Department of Neurology, University of Washington, Seattle, WA (9/9/10).
